 1. Lakes to Land Regional Initiative with Beckett & Raeder
 1. Master Plan Goals – conversation was continued on each of the Cornerstones. Corrections were made and will be forwarded on to John at Beckett & Raeder. Majority of the conversation revolved around the Agriculture Cornerstone (Sustain & Enhance the agricultural economy of the township). The information in the opening paragraph brought quite a few questions which ranged from the correctness of the statistics to the purpose of the information. Revisions were specifically sought on this paragraph. Building block 1, 3, 5, & 6 were revised as well as the addition of a 7th building block.
 2. Land use map
 1. Draft #2 was distributed. Any corrections or changes need to be submitted to Betsy by April 8th and she will forward those onto Beckett & Raeder for further revisions.
7. New Business
 1. Discussion was had on whether or not to change the order of the Cornerstones to correspond with the results from the initial visioning session. Awareness was made to the fact that in the actual Master Plan there will be NO numbers by the Cornerstones. They are numbered now only as a reference tool for revisions. No action was taken on changing the order.
8. Public participation for non-agenda items was heard.
9. Adjournment @ 8:30pm

Respectfully Submitted,

Marianne Hayne, Secretary
