

# **Food Innovation Districts**

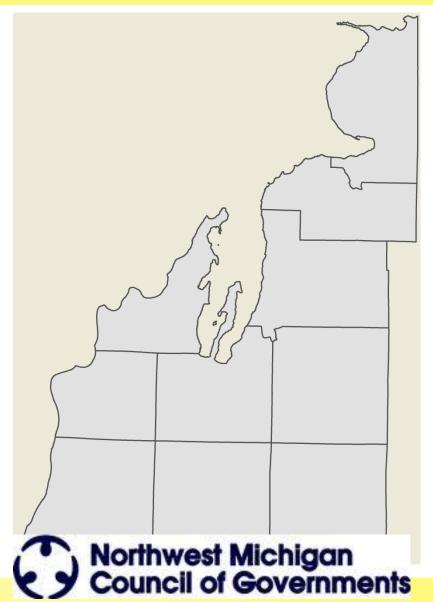

**An Economic Gardening Tool** 

Patty Cantrell • Sarah Lucas Lakes to Land - November 14, 2012

# Northwest Michigan Council of Governments

- Provide services to local governments in 10-county region
  - Planning master plans, recreation plans, housing
  - Communication/coordination
  - Resources/data
  - Mapping/GIS
  - Community Growth grants
  - Act as neutral convener for regional initiatives
- Grant funded, fee-for-service
- County membership

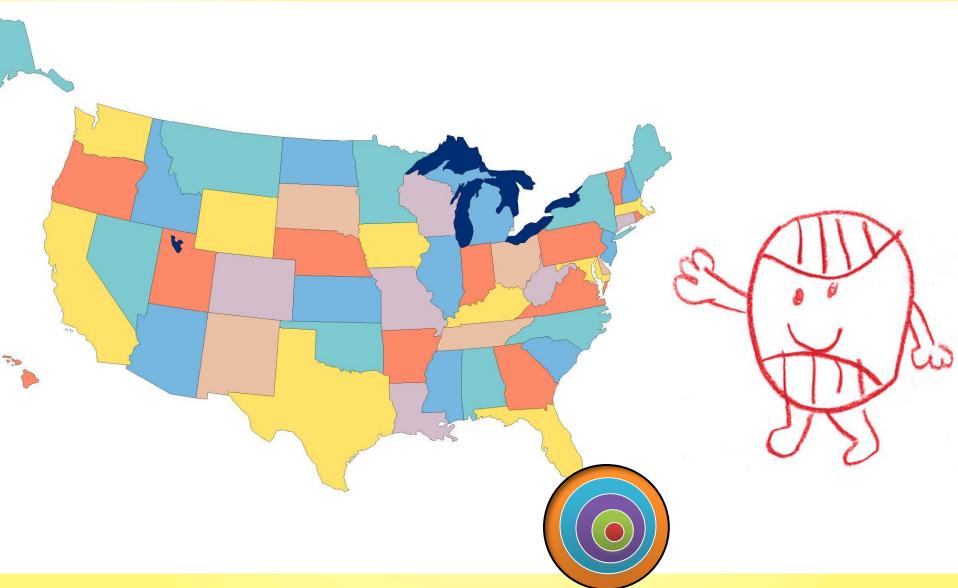

# Food Innovation Districts: An Economic Gardening Tool

- USDA Rural Business and Enterprise grant
- NWMCOG
- MSU Center for Regional Food Systems
- Advisory Committee
  - Michigan Association of Planning
  - MSHDA
  - National Association of Regions
  - Local governments
  - Food/farming stakeholders
- MSU Practicum Students

## **Global Easier than Local**

## **Food Innovation District**

#### **Food Innovation District**

- A geographic concentration of food-oriented businesses, services, and community activities ...
- Which local governments support through planning and economic development initiatives ...
- In order to
  - Promote a positive business environment.
  - Spur regional food system development.
  - Increase access to local food.

## **Types of District Activity**

#### **Producer-oriented**

Production, gardening
Retail and farmers' markets
Post harvest storage, processing
Packaging and promotion
Loading docks and truck access
Business incubation facilities, services

#### **Place-oriented**

Festivals, fairs and events
Sidewalks and bike lanes
Benches and bike racks
Plazas and public art
Pedestrian scale and traffic flow

### **Community-oriented**

Restaurants and eateries
Community ovens, kitchens
Education and nutrition outreach
Social services
Open space, gardens
Harvest gleaning, food pantries

# Regional Resource, Identity

# Re-purpose. Re-invent.

# Placemaking – Marquette

# Placemaking – Grand Rapids

### **Food Innovation Guide**

- Definitions
- Case Studies
- Creating and Implementing a Plan
- Worksheets
- Sample Ordinance

## **Making it Happen**

**Community Information** 

Rationale or Need

**Assets & Opportunities** 

#### **PROJECT INITIATION**

Vision

**District Boundaries** 

#### **IMPLEMENTATION**

Planning & Zoning

**Economic Development** 

### **Assessment: what do we have?**

- Describe your community, its population, and demographics
- What do you know about food consumption – sales, trends, etc?
- What do you know about food production in the region?

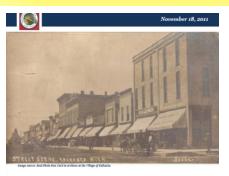

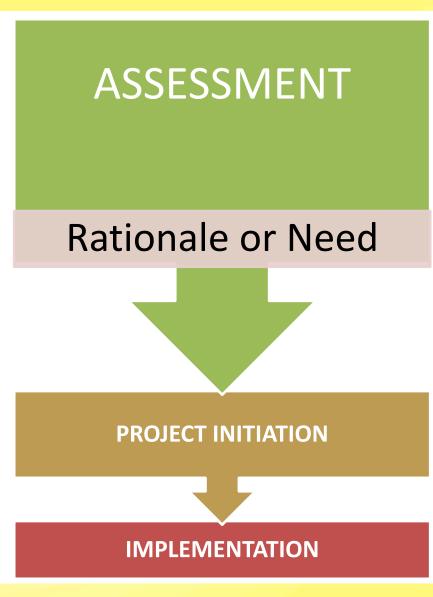

### What is the rationale?

Downtown & Economic Growth Strategy
Prepared for
The Village of Kalkaska
Downtown Development Authority

- Are food systems discussed in the master plan?
- What is community interest in the local food system?
- Is there an emerging food business cluster?
- What are the needs of local food businesses?

## **Assets & Opportunities**

- What types of food innovation uses exist?
  - Producer, Community, Place assets
- Are there linkages or networks between uses?
- Opportunities for adaptive reuse or redevelopment?
- Is there a local or regional food network?

# Producer, Community, & Place Assets

Source: MSU Practicum Team, 2012

## **Champions and Plans**

# FOOD & FARMING NETWORK

**Building Northwest Michigan's Agricultural Future** 

## **Focus the Vision**

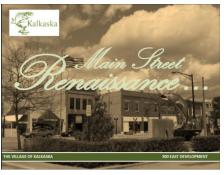

#### **ASSESSMENT**

Vision

**IMPLEMENTATION** 

- Focus primarily on processing or distribution?
- Or is the community component stronger?
- Tie the district to other initiatives, such as property redevelopment or historic preservation?

## Find the Right Location

#### **ASSESSMENT**

## PROJECT INITIATION

**Define District Boundaries** 

**IMPLEMENTATION** 

- Where are food assets present?
- Infrastructure, TIF & other financial incentives
- Master plan & zoning designations

## **Planning and Zoning**

- Does the master plan address the local or regional food system?
- What uses are permitted by zoning within FID boundaries?

**ASSESSMENT PROJECT INITIATION IMPLEMENTATION** Planning & Zoning

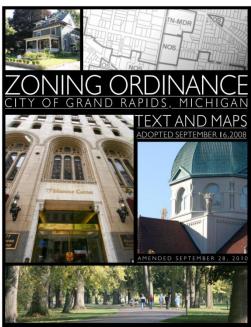

## **Zoning for Food Innovation**

Allow for the mix of food innovation district uses:

- Add Uses
- New Zone
- Planned Unit Development
- Form Based Zoning
  - More use flexibility, neighborhood character advantages
- Overlay Zone

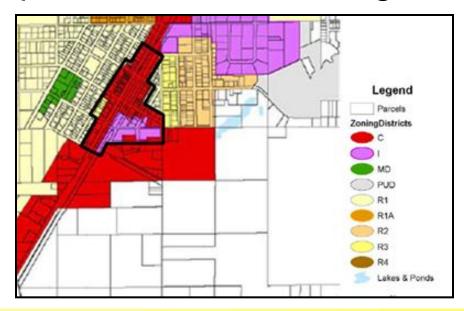

## **Food Innovation District Overlay**

- MSU Practicum Students
- Compiles uses, definitions
  - Higher impact uses defined as special uses
  - More common uses allowed with conditions or by right

Can be used over all or part of various existing

zoning districts

# **Overlay District – Sample**

	Application	
Application		
Zoning District	Uses Permitted Under Existing Zoning	Uses Added by Overlay District
Industrial	Wholesaling	Retail
	Processing	Personal service
	Manufacturing	Business service
	Storage facilities	Restaurants
	Distribution	Entertainment
	Research and Development	Community garden
		Community Kitchen
		Farmers Market
		Multi-family residential
Commercial	Retail	Minor agricultural or food processing
	Personal service	Community garden
	Business service	Community kitchen
	Restaurants	Farmers market
	Entertainment	Multi-family residential
	Government	
	Hotels, motels, cabins, bed-and-breakfasts	
Residential	Single-family residential	Community garden
	Two-family residential	Community kitchen

Multi-family residential Community garden **Schools** Farmers market Home occupations/cottage industries Accessory uses

## **Financial Support**

**ASSESSMENT** 

**IMPLEMENTATION** 

**Economic Development** 

- Have market studies been conducted?
- Is marketing/promotional assistance available?
- What financial incentives are available for new businesses?
- Consider staff capacity for ED activities, including business recruitment

## **Economic Development**

Explore available or potential programs and approaches

#### **Real Estate Development**

Tax increment financing, business improvement district, land banks ...

### **Placemaking**

Michigan Main Street, Downtown Development Authority programs ...

### **Federal and State Funding**

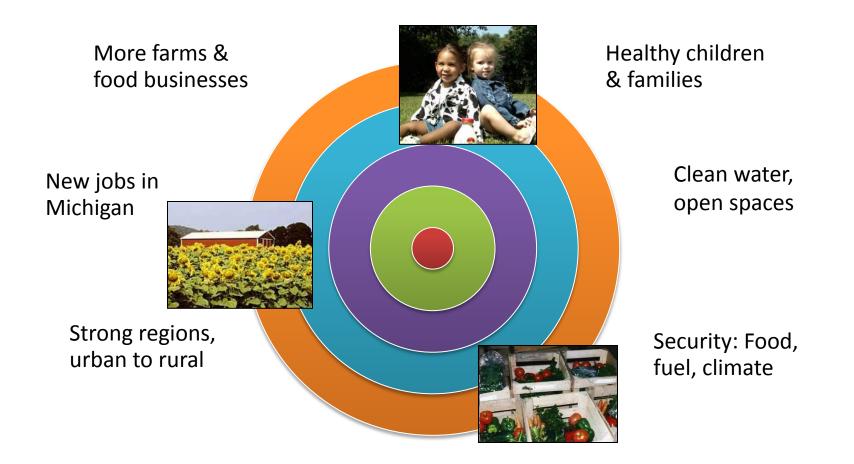

USDA, EDA, MEDC Farm to Food (CDBG), MDARD ...

### Other: Food for Thought

Brownfield redevelopment, Smart Zones, Regional Skills Alliances ...

## **Good Food System Benefits**

# Food Innovation Districts: An Economic Gardening Tool

- Guide will be completed by the end of the year
- Outreach, distribution over the winter
- Local government outreach presentations, guides <u>www.nwm.org</u>
